

SHOWCASE W/IMAGES & VIDEO

The showcase will be the first thing an attendee sees when visiting your online profile. Here you can feature new products or capture their attention with a video.

The screenshot displays the MoldMaking Technology website's showcase. At the top left, the logo "MoldMaking TECHNOLOGY" is visible, with "MoldMaking Technology" in a larger font below it. To the right of the logo are two buttons: "Add to My Show Planner" and "Add More". Below the logo is a navigation menu with links for "Showcase", "Booths", "Description", "Brands", "Product Categories", "Content", "Special Offers", "Scheduled Events", and "Contact Us".

The main content area features a video player on the left. The video thumbnail shows a woman holding a copy of "MoldMaking TECHNOLOGY" magazine. A play button is overlaid on the video. Below the video, the text reads: "Do you want your shop to be on the cover of MoldMaking Technology?".

To the right of the video player is a contest announcement: "+ Enter to Become the 2021 Leadtime Leader Winner". Below this, it says "Apply for the 2021 Leadtime Leader Award!" and "Go to www.MoldMakingTechnology.com and search for 'Leadtime Leader'. Deadline to apply is April 1st!".

At the bottom of the showcase, there are four small logos: "LEADTIME LEADER AWARD", "LEADTIME LEADER AWARD", "M M T YouTube", and "M M T TODAY".
